### *Evaluate & Estimate*

Our experienced pros will first evaluate and map your property characteristics and understand your desires; create a customized lighting and decorating plan that perfectly fits your taste and wallet

### *Proactive & Responsive Maintenance*

We don't wait for issues to arise. We provide preventative maintenance in order to fix problems before they even become problems. If any occurs, we respond within 24 hours even on Weekends and Holidays

### *Installation Removal & Storage*

Since we know each installation will be unique, our decor designers custom-install each lightscape in a way that is ideal for your property. We use clips and fasteners we know will not harm your foundation, gutters, or siding, to ensure a safe installation. With our services, we take down the decorations at the end of the season. We even store them for you, so if you plan to use us yearly, we make it easy for you.
